

**sky100 Hong Kong Observation Deck Presents “Twinkle Winter in the Sky”
Capture Heart-warming Christmas Moments with Magical Photography Tools
Celebrate Christmas with Sky-high Family Fun Days and Café 100’s Seasonal Menu
“2020 New Year’s Eve Countdown Fireworks Package” Available Online from 3 December**

(29 November 2019, Hong Kong) Winter is the perfect time of year to celebrate with family and friends. This year, sky100 Hong Kong Observation Deck is presenting **“Twinkle Winter in the Sky”** from 9 December 2019 to 7 February 2020, inviting everyone to celebrate the festive season with their loved ones. This Christmas, from an inspirational height of 393 metres, not only can you enjoy 360-degree panoramic views of Hong Kong and its famed Victoria Harbour nightscape adorned with twinkling lights, you can also participate in special Christmas family fun days and workshops, celebrating Christmas in the sky with a unique festive experience. Café 100 by The Ritz-Carlton, Hong Kong has also specially prepared a limited seasonal Christmas afternoon tea set and dinner menu, offering visitors and their loved ones a joyful dining experience in the sky! With the launch of its **“2020 New Year’s Eve Countdown Fireworks Package”**, sky100 is also inviting everyone to usher in the New Year with Hong Kong’s spectacular fireworks display. This package will be available for purchase on the official sky100 website from 10 a.m. on 3 December 2019. Tickets are limited, so don’t miss out!

Capture Precious Moments with Magical Photography Tools

The view of Victoria Harbour from sky100 will look totally different this Christmas! From 9 December, sky100 will be providing visitors four magical photography tools for free, including pin lights, bokeh filters, a crystal ball and a hand-held torch. Each of these special tools adds a unique effect to your photos: pin lights add a warm glow, while bokeh filters turn the skyline’s thousands of lights into hearts or snowflakes. With these cool effects, your photos will surely attract everyone’s attention on social media! Even better, sky100 is offering expert assistance from the Hong Kong Landscape Photography Society. By following its professional photography tips, you can capture precious moments like never before and create wonderful new memories with your loved ones.

“Sky-high Family Fun Days” Bring Joy to Everyone

Families with kids can also look forward to a series of **“Sky-high Family Fun Days”** on 15, 22 and 25 December, offering a wide range of exciting parent-child activities including “Little Magician School”, “Balloon Stylist School”, “Creative Painting Workshop” and “Innovative 3D Painting” on 15 and 22 December as well as the **“STEAM Santa Robot Car Workshop”** on Christmas Day! In this fascinating workshop, parents and children can jointly design and decorate their own unique car for Santa Claus, having fun and learning at the same time, while also celebrating this delightful season with family.

About sky100 Hong Kong Observation Deck

Developed by Sun Hung Kai Properties, sky100 Hong Kong Observation Deck is located on the 100th floor of International Commerce Centre, the tallest building in Hong Kong. At 393 metres above sea level, it is the only indoor observation deck in Hong Kong offering 360-degree views of the territory and its famous Victoria Harbour. This world-class attraction is complemented by a well-connected transportation network, including the Express Rail Link Hong Kong West Kowloon Terminus, and a prestigious shopping mall. It also features Hong Kong's fastest double-deck high-speed elevators, which reach the 100th floor in just 60 seconds. sky100 Hong Kong Observation Deck introduces different facets of Hong Kong culture via various multimedia exhibits. "sky100's Tales of Hong Kong", a 28-metre-long multimedia story wall, showcases 100 fascinating local tales and anecdotes. The interactive sky100 mobile app and the "Sky-High Tech Zone" create a virtual dynamic world which allows guests to discover the beauty of Hong Kong in a brand new perspective through Augmented Reality (AR) and Virtual Reality (VR) technology. Guests can savour a range of delectable treats and enjoy boundless sea views at Café 100 by the Ritz-Carlton, Hong Kong on the west side of the deck, a truly double delight of taste and visual pleasure. sky100 proudly offers visitors and their loved ones Hong Kong's most memorable sky-high experience in every season and at all times of day.

Press Release

sky100 Hong Kong Observation Deck has received the Certificate of Excellence for six consecutive years since 2014 from renowned travel website TripAdvisor in recognition of its breath-taking views and outstanding hospitality.
